Elder: exceeds another in image, rank, position.

OT: applied to heads of families and oldest persons

In church: position of honor

Respect for age must temper the expression of reproof of an old man's misdemeanor.

Entreat: call aside; admonish; for purpose of encouraging, comforting, exhorting, appealing to.

Mild rebuke—*To say please.*

As a father: as would your father. As a patriarch.

Not saying, *Timothy permit older people to get away with their sin.*
